Anubhav Dixit

Full Stack Web Developer

Dedicated Full Stack Web Developer with a strong foundation in front-end technologies and robust design and problem-solving skills. Proficient in ReactJS, Redux, TypeScript, and other modern web development tools. Highly disciplined and motivated, seeking to leverage my skill set and expertise in a dynamic tech company.

WORK EXPERIENCE

Front End Developer

Vibencode Pvt. Ltd.

March 2024 - Present

- Developed and maintained responsive web applications using React and TypeScript.
- Implemented state management solutions with Redux to enhance application performance and user experience.
- Collaborated with cross-functional teams to design and implement new features.
- Worked closely with backend developers to integrate APIs and services.
- Troubleshot and resolved complex technical issues in a timely manner.
- Participated in daily stand-ups and sprint planning meetings as part of an Agile team.
- Integrated third-party services and libraries to enhance application functionality.
- Contributed to UI/UX design discussions and provided valuable suggestions to designers.

Assessment Assistant

Masai School

Oct 2023 - Feb 2024

- Conducted mock interviews for junior developers, providing constructive feedback to improve their coding and problem-solving skills.
- Reviewed and assessed code, ensuring adherence to best practices and coding standards.
- Assisted in skill-building initiatives, significantly contributing to the academic growth and development of fellow developers.
